Visible

4HIM - Word/Curb

 Words: [Kathy McKinnon*](#)

Once again we are celebrating another wonderful group that has been around for over a decade. As a music lover, I learn about new things all the time, like Tom Joyner as an original member of The Commodores (I didn't know that until recent. And I'm in my mid twenties!). Listening to 4HIM I learned to appreciate other forms of praise and worship music. The group is comprised of Andy Chrisman, Kirk Sullivan, Mark Harris and Marty Magehee. This is an album that stands "on it own two", following a lengthy success track record dating back to 1990. The modern contemporary Christian melodies and standard worship and praise songs have a strong effect especially after the national disaster America experienced on 9/11. The eight-time Dove Award winning group, continue to bless the Christian community and music world with their God given talent. With exceptional harmonies, instrumental arrangement and experience, 4HIM is worth the exploration.

No matter what music I listen to, I always find the hidden line of soul embedded within. The first song "Fill The Earth" had me bobbing my head and clapping my hands in my Stevie Wonder impersonation. This song had great collaborations of musical instruments as well as the vocals. The words filled my heart and soul with belief. When we look at some of these issues America is currently facing or even in your own personal life, we definitely need The Lord to fill the earth and saturate us with hope and praise. The next song, "You Reign", is even more amazing. It's a simple phrase, ...Lord you reign, but the simplest things are the best. HE definitely reigns in our lives and this song will keep you remembering what the Lord has done for you and what HE will do in the future. "It's All About Jesus" is a fun song. It is a very mellow tune, but it blasts supernatural power. This should of been the album title name, because this all 4HIM are trying to convey to the world, it all about HIM, nothing else. Once I switched to the next song "The Final Word", that intro with convict your spirit ya'll (I felt a tingle up my arm). The soloist "Hit it!" Hands down! On a scale from 1-10, I rate this song out of the ball field 20! 4HIM finishes this album with a beautiful ballad

called "The Promise". I'm speechless. Two-thumbs up and ten fingers high!

The more excited I became about these songs, the Lord was able to speak to my heart. As a Christian it is a great task to keep the presence evident in your life. Listening to this album will shake you, make you and reconnect any misfired cables that are disengaged. I am a believer in Christ and 4HIM reaffirmed that belief with an exceptional album Visible. HE is very visible to me. How about you? If you have never experienced Christ, pop this one in you CD player. You see and feel the difference.
