

## Eight-Time Dove Award-Winning Group 4HIM Unveils Visible

Words: Musicdish Network

Celebrating its landmark 10th studio album, eight-time Dove Award-winning group 4HIM unveils Visible, a record of inspiring resolution in its message and one of noble empowerment in its capacity

to encourage listeners. Visible is an artful illustration of individual courage in the face of cultural relativism and a call for communal triumph won from tragic national loss. <http://wordlabelgroup.com/4him>

After 13 years together, Andy Chrisman, Kirk Sullivan, Mark Harris and Marty Magehee offer Visible, showing again 4HIM's exceptional success as one of the most beloved groups in Christian music. Visible follows on the heels of two definitive career records: Walk On (2001) and Hymns-A Place of Worship (2000). Continuing the musical momentum of each of those records, Visible fuses adult contemporary pop songs with modern praise & worship music. The stunning result is a record that's relevant to the church's worship and its faithful response of ministry to the world.

4HIM's Mark Harris says, 'The songs on Visible are some of the best songs we've recorded,' a brazen statement for a group with a proven track record of tapping great songs-including 24 No. 1 singles.

'The theme that emerged from the last record was perseverance,' says Andy of Walk On. 'Visible is the next step past that. We, as a

The guys credit producers Michael Omartian and Pete Kipley for drawing from them compelling vocal performances on this outing. 'We worked with Pete on our WOW Worship track, 'Thy Word,' and we really hit it off,' says Andy. And what about working with Michael Omartian? The foursome respond crisply and unabashedly. 'Stunning!' says Kirk. 'A great privilege,' Andy replies. 'The musician's musician,' concludes Mark.

For Visible, Omartian and Kipley gathered outstanding studio talent, including guitarist Chris Rodriguez (who also handled A&R duties), Jerry McPherson (guitars), Mark Hill (bass), Tim Akers (piano), Dan Needham (drums) and Eric Darken (percussion). Rob Mathes arranged strings performed by the Nashville String Machine. And a new helmsman found himself behind the board for this record. <http://wordlabelgroup.com/4him>
